CREATE SOME INTEREST!!!!

CSI, our new program for membership but what does it really mean?

Talking to new people about your Lodge and the Moose.

Telling new folks about the benefits of membership.

Talking about sporting events, dances, theme nights, picnics, and parties all at your Lodge.

Offering an alternative to high priced places where nobody knows anybody.

Talking about common interest and a place where others feel the same.

CSI can also be asking! Yes, asking, what are you interested in?

What do you do in your off time from work? How do you spend your weekends?

What sporting events do you enjoy? Does your wife or girlfriend like to dance?

Have you ever heard of this local band? They played at our Lodge last weekend.

I know you just retired, would you like to know about a place to stop during the day to meet new folks, spend a little less money, play some cards, or enjoy the afternoon game on TV?

Do you like home cooking? We are having some very reasonable priced dinners this week at the Lodge would you like to come along?

CSI it's also doing the little extra things so folks, look and ask,

"Hey what's that?" "What is the Moose?"

Do you wear a lapel pin from the lodge or a previous year's membership campaign?

Do you wear the pin from this year's membership campaign? Have you earned it yet?

A Moose ball cap, a shirt, a jacket, do you wear them to someplace other than the lodge?

Do you have something on your desk at work? Do you tell friends you're going to the Lodge?

Do you just meet others or do you arrange to have them meet you at the lodge?

Do you suggest the Lodge as a place for a wedding, birthday, anniversary, or holiday party?

Do you work with charities/businesses and ask how the Lodge and they could work together?

This is just a small list, what other ways can you, can we, can the Lodge, can the Moose, **CREATE SOME INTEREST** in what we do, enjoy and are so proud of. Think about it!
